

BEAN, LIZZIE S.

February, 1834-September, 1827

Miss Lizzie S. Bean, 93 years old, an aunt of Mrs. E.K. Lucas of Wheatland, died here on Friday morning after an illness of only a week's duration. Miss Bean was born in February, 1834 in Vermont and spent most of her life in that state and Massachusetts.

She came to Wyoming in 1912 to make her home with Mrs. Lucas. In early womanhood, she joined the Baptist church, but her last church work was in the Methodist Sunday school, after which her age and deafness caused her to give up all activities of that character. Miss Bean outlived a large family, two nieces and two nephews being all that is left of her immediate family.

Private funeral services were held at 1:30 o'clock on Saturday afternoon, , from the Watson Mortuary, wit the Rev. D. Powell, pastor of the Union Congregational church officiating. Burial took place in the Wheatland cemetery.
