

BLAKE, WILLIAM SEYMORE JR.

1909-May 31, 1918

William S. Blake, Jr., son of Mr. and Mrs. William S. Blake, died May 31, 1918, aged eight years, eight months and seven days.

Mrs. Blake is the daughter of the Hon. Charles Frederick of Frederick, Wyo. On account of the death being caused by contagious disease, scarlet fever, relatives and friends who otherwise would have been present, were prevented from attending the funeral, but the grandfather and grandmother were in attendance. Services necessarily had to be brief and were conducted in the yard of the home of Elder Frame of the Christian church. The mother and father and grandfather and grandmother on the outside of the home; the little sisters who were also ill with the nurse on the inside with the little casket at the window, truly a sad sight indeed. Mr. and Mrs. Blake have the sympathy of the entire community. Interment was in the Wheatland cemetery. Funeral in charge of Harry Pepper.
