

CLEARWATER, LILLIE
1872-1922

Mrs. W.A. Clearwater, in a fit of despondency, took a large dose of carbolic acid early this morning. Dr. Holtz was called and took her to the hospital where efforts are being made to save her life, but her condition is very critical and but little hope is expressed that she will recover. Her home is a Bordeaux on one of the Carey ranches, but she has been in Wheatland for the past week.

Mrs. W.A. Clearwater, whose critical condition was mentioned last week, passed away Friday morning. Funeral services were held from the Congregational church Sunday afternoon, Rev. R.F. Paxton officiating, a large number of old time friends and neighbors gathering to pay their last tribute of respect and sympathy to the departed and the bereaved family.
