

## Dillon, Claire Reeson

I'm not sure if an obit ever ran anywhere for Clair. He was living in Grand Junction Colorado at the time of his death. He had been ill for sometime and had made arrangements with me to be buried there in Wheatland about a year before he died. He was born in Luray Kansas on the family homestead. In 1953 he married Marjorie "Marj" Shockley from Carbon county. They were married in Rawlins and settled in Dixon. They had three children. One of them, Marjorie Louise "Boo" died in 1959, the other two, Will Clair and Martha Ann were both still living when Clair died. He and Marj had divorced sometime before he died but I do not know when.
