

FORAN, AARON  
?-November 29, 1921

Aaron Foran died Monday evening at the Cheyenne private hospital where he was taken a few weeks ago after being treated for a time by Dr. Smith, following a sudden illness. Undertaker Longwith went to that city and brought the body back to Wheatland Tuesday evening and funeral services were conducted Wednesday at the Catholic church.

Mr. Foran had been engaged in business at Wheatland for several years, conducting a small general merchandise store. He had no family but made and held a large number of friends in this community who will regret his departure.
