

## **JAMES JEFFERS DIED YESTERDAY**

### **Grayrocks Farmer Passes One Week After Aged Wife Died from Heart Attack.**

Following close upon the death of his aged wife, James Jeffers, pioneer resident of the Gray Rocks community, passed away on Thursday at about 1:30 at the Frank Woods home on Bettelyoun flats.

Mr. Jeffers had been ailing for the past several months and yesterday morning he started for town to consult Dr. Richie who came to Guernsey to see him. Mr. Jeffers started for his home after seeing the doctor and when he got to the flats his condition became worse and they stopped at the Frank Woods home, where he continued to grow weaker. They called the doctor but he passed away before his arrival.

Just a week and one day from the time of his wife's death Mr. Jeffers passed away. He was a splendid old gentleman and beloved by his neighbors where he had lived for so many years. His health had not been good for many months and his passing is not a surprise, following so close to the death of his beloved wife.
