

NICKESON, LARRY LEROY

June 5, 1940-July 4, 1942

The home of Mr. and Mrs. Berly Nickeson of near Chugwater was saddened last week, in the death of their little son, Larry LeRoy, who had reached the age of two years June 5.

Thursday the little fellow was kicked by a horse and complained of his hand hurting. He was brought to Wheatland and later taken to the hospital, his condition growing steadily worse. It developed that the horse's kick had hit the lad's hand which apparently was across his abdomen injuring him internally, death claiming him at one o'clock Saturday morning.

Funeral services were held at the Watson and Dennis chapel at 2:30 Tuesday afternoon, Rev. Noyce officiating.
