

PHELPS, LUELLA LANE  
1866-February 17, 1920

Mrs. Henry A. Phelps passed away Tuesday morning and funeral services will be held from the Methodist church tomorrow (Thursday) afternoon at two o'clock. A few weeks ago, Mrs. Phelps was stricken very ill at her home in Laramie and Mr. Phelps brought her to the Wheatland hospital for attention. An examination revealed she was suffering from a blood clot on the brain of such a nature it could not be relieved by medicine or surgery, and the physicians advised that recovery could not be expected, the only thing that could be done being to make her as comfortable as possible while life remained. Mrs. Phelps was widely known in this community, which had been her home for many years prior to moving to Laramie two years ago. Her age was 53 years. Four sons and three daughters, ranging in age from 9 to 24 years, together with the husband, are left to mourn her departure.
