

SCRANTON, ROBERT LYLE

July 13, 1907-1924

Robert Scranton, son of Mr. and Mrs. Ed Scranton, died Sunday of infantile paralysis at his home on the ranch 20 miles west of Wheatland, after an illness of less than two days.

He first complained of a slight indisposition Friday evening, but serious symptoms did not appear until that night. A physician arrived Saturday morning, but found him beyond hope.

He was born on July 13, 1907, being 17 years, 2 months and 17 days old at the time of his death. He is survived by his parents and six brothers and sisters.

On account of the nature of the disease, a private funeral was held at 11 A.M. Wednesday from the Shierry undertaking parlors. Rev. Paxton officiated and interment was made in the Wheatland cemetery.
