Tribute to Marty in WHS Bark newspaper written by Pat Mitchell:

WHS remembers Marty

Our community was saddened by the death of a young man who had recently been a student at WHS. It is difficult for those who knew Marty to accept the fact that this kind, quiet young man is no longer a part of this world as we know it.

To Marty's family and friends, it can never be said that we understand because until each of us suffers the loss of a child only, then can we feel the same pain. But we can say that we will miss him and that we there for those who are left to mourn Marty's passing.

Possibly we can add that God needs a few teenagers to add some excitement in His existence too and that He needed that subtle, shy grin in heaven.
