

WEST, HERBERT AUSTIN
February 11, 1897-September 3, 1898

Mr. and Mrs. Grant West mourn the death of their baby boy, Herbert Austin, whose death occurred last Saturday afternoon at 6 o'clock. The little one had been in excellent health until a few days previous when an attack of membranous croup baffled all that medical skill or loving hands could do. Funeral services were held Sunday morning at the Congregational church conducted by Rev. J.L. Blanks and interment was made in the Wheatland cemetery. Herbert Austin West was 18 months old. The bereaved parents have the sympathy of all.
