Interment Wheatland cemetery under direction of Harry H. Pepper.

Peter Wilde of Ft. Laramie, who had been failing for several days, passed away Monday afternoon. Mr. Wilde was one of the pioneer residents of the state. He had been in failing health for several months and about four weeks ago was brought to the Wheatland hospital for medical treatment. His condition was pronounced very critical at the time of his arrival, but he seemed to respond to early treatment and his friends were somewhat encouraged. The improvement, however, was temporary, and when he again began to fail, medical skill was unable to stay the approaching end and he passed peacefully to his final rest.
